PHIFER
BALCONY SCREENS

BALCONY SCREENS FOR SUN CONTROL AND PRIVACY

Why millions of customers rely on Phifer Balcony Screens worldwide

Treating windows in the right way can only be done with an eye-catching curtain. Contemplating that necessity, Phifer has put forward World's best-selling product the Phifer Balcony Screens that can add aesthetics to the exteriors while serving as an absolute design element for the interiors. Product ensures great value for money, Operations are both manual and motorised and involves zero maintenance. Adding to all this, Phifer Balcony Screens solves diverse problems due to its versatility.

10 YEARS WARRANTY FOR THE FABRICS

RAIN RESISTANT

Phifer Balcony Screens shield the balconies from the splattering of rain water during heavy downpours and keeps it dry and cozy.

PHYSICAL BARRIER

By screening the balcony spaces, it is now easy to protect home spaces from disturbance of birds & insects which is essential in urban living.

HEAT PROTECTION

Phifer Balcony Screens are fabricated with a design perfection that protects interior spaces from UV radiation by cutting off 80% of the heat penetration.

HIGH VISIBILITY

Balcony screens let natural light inside and provide excellent outward view allowing the occupant to have an absolute connection with the outer world.

100% PRIVACY

The opaque from outside quality of the Phifer Balcony Screens guarantees complete daytime privacy inside the living spaces.

DUST REDUCTION

Phifer Balcony Screens sheild the built space from dust penetration and air pollution which is the most important aspect of any building design.

Phifer Balcony Screens are heavy-duty exterior screens. Considering which 10 years warranty is provided.
