Sheer Beauty that transforms your Light

Shading that stand the test of time in quality & style. Silhouette® Window Shadings & Nantucket™ Window Shadings help soften and diffuse ambient light as it enters a room. Their 3" fabric vanes suspended between two sheer fabric facings, create warmth and a diffused-light effect.

Privacy **on** demand

Sheer fabric obscures the view into your home, providing daytime privacy even when the vanes are open, a simple tilt of vanes can help you achieve your desired privacy.

Stay Protected

Protect your furniture, flooring and artwork from the sun's harmful UV rays while enjoying the outdoor landscape.

Light at your command

PowerView® Automation

PowerView® Automation gives you precise and convenient control of your window shades, enabling you to operate them at your command.

You can operate them with the Pebble Remote control or through voice command by integrating PowerView® with Siri or the Google Assistant. What's more, the PowerView® App enables you to manage your shades even when you're away from home.

EasyRise™

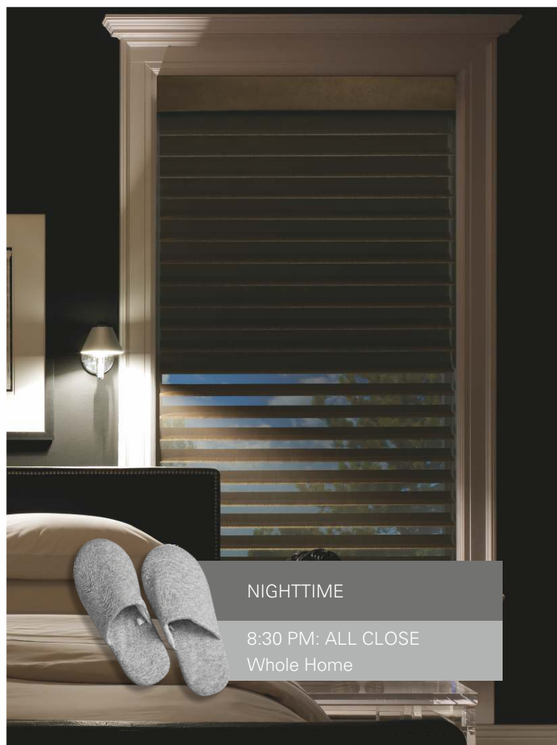

Perfect for opening and closing larger shades without the hassle of dangling cords. The EasyRise™ system is a continuous cord loop, specially engineered for smooth, easy operation.
